### **Background**

12. On May 3, 2017, the Oversight Board commenced a title III case for the Commonwealth of Puerto Rico by filing a voluntary petition for relief pursuant to section 304 (a) of PROMESA (the "Commonwealth Title III Case"). Thereafter the Oversight Board commenced a title III case for each of COFINA, the Employees, Retirement System of the Government of the Commonwealth of Puerto Rico ("ERS Title III Case"), the Puerto Rico Highways and Transportation Authority ("HTA Title III Case"), and the Puerto Rico Electric

Power Authority (“PREPA Title III Case”) (and together with the Commonwealth Title III Case, the “Title III Cases”).<sup>4</sup> By orders dated June 29, 2017 [Docket No. 537] and October 6, 2017 [Docket No. 1417], the Court approved the joint administration of the Title III Cases.

13. On June 29, 2017, the Court entered the Order Authorizing Employment and Payment of Epiq Bankruptcy Solutions, LLC as Service Agent, Nunc Pro Tunc to the Petition Date, [Docket No. 540] (the “Retention Order”), approving the Debtors’ employment and retention of Epiq as service agent nunc pro tunc to the ERS Title III Case/HTA Title III Case petition date, May 21, 2017.<sup>5</sup> Pursuant to the Retention Order, Epiq is authorized to be compensated on an hourly basis for professional services rendered to the Debtors and reimbursed for actual and necessary expenses incurred by Epiq in connection therewith.

14. On August 23, 2017, the Court entered the Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals<sup>6</sup> [Docket No. 1150], (as amended, the “Interim Compensation Order”).

### **Summary of Professional Services**

15. Pursuant to, and consistent with, the relevant requirements of the Interim Compensation Order, the Fee Committee Order, and the Local Bankruptcy Rules (collectively, the “Guidelines”), as applicable, the following exhibits are attached hereto:

<sup>6</sup> On November 8, 2017, the Court entered the First Amended Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals [Docket No. 1715]. On June 6, 2018 the Court entered the Second Amended Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals [Docket No. 3269]

- a. **Exhibit A** contains a certification by the undersigned regarding compliance with the Guidelines (the “Certification”);
- b. **Exhibit B** contains a list of Epiq’s project categories and the total billed to each category during the Fee Period;
- c. **Exhibit C** contains a billing summary for the Fee Period that includes the name of each professional for whose work compensation is sought, the aggregate time expended by each professional and the corresponding hourly billing rate at Epiq’s current billing rates and an indication of the individual amounts requested as part of this Fourth Interim Fee Application; and
- d. **Exhibit D** contains the time detail for the Fee Period.
- e. **Exhibit E** consists of Epiq’s records of expenses incurred during the Fee Period in the rendition of the professional services to the Debtors and their estates

16. To provide a meaningful summary of services rendered on behalf of the Debtors and their estates for the Fee Period, Epiq has established, in accordance with its internal billing procedures, the following matter numbers in connection with these cases:

Matter No.	Matter Description
205	Noticing
220	Affidavits
400	Fee Statements

17. The following is a summary, by matter, of the most significant professional services rendered by Epiq as administrative agent during the Fee Period. This summary is organized in accordance with Epiq’s internal system of matter numbers.<sup>7</sup>

---

<sup>7</sup> This summary of services rendered during the Fee Period is not intended to be a detailed or exhaustive description of the work performed by Epiq, but, rather, is intended to highlight certain key areas where Epiq provided services to the Debtors during the Fee Period. A summary description of the work performed in the Fee Period, categorized by project code, and those day-to-day services and the time expended in performing such services, are set forth in the Monthly Fee Statement.

**A. Noticing (Matter #205)**

Total Fees: \$3,977.70  
Total Hours: 20.50

The eDiscovery services provided in this category include loading of processed productions onto local servers, designing and implementing security features in the Relativity data repository, refining the repository and the database fields, the continued maintenance of the repository, and other related tasks.

**B. Affidavits (Matter #220)**

Total Fees: \$1,745.20  
Total Hours: 9.90

19. This category includes preparation of affidavits of service related to Epiq's service of notices of document requests mailed to various parties that produced documents maintained in its data repository.

**C. Fee Statements (Matter #400)**

Total Fees: \$12,751.00  
Total Hours: 57.60

20. Time in this category was spent in the preparation of the Monthly Fee Statements.

**Reasonable and Necessary Services Rendered by Epiq**

21. The foregoing professional services rendered by Epiq on behalf of the Oversight Board during the Fee Period were reasonable, necessary and appropriate to the administration of the Debtors' bankruptcy cases and related matters.

22. Epiq is one of the country's leading Chapter 11 administrators, with experience in noticing, claims administration, solicitation, balloting and facilitating other administrative aspects of bankruptcy cases. As a specialist in claims management, consulting and legal administration services, Epiq provides comprehensive solutions to a wide variety of administrative issues for bankruptcy cases, and has substantial experience in matters of this size and complexity. Overall, Epiq brings to these Title III cases a particularly high level of skill and knowledge, which inured to the benefit of the Debtors and all stakeholders.

23. During the Fee Period, Epiq consulted and assisted the Oversight Board with noticing and maintenance of a data repository. To this end, as set forth in detail in **Exhibit C** of the Application, numerous Epiq professionals expended time rendering services on behalf of the Debtors and their estates.

24. During the Fee Period, Epiq's hourly billing rates for the professionals responsible for managing these Title III cases ranged from \$175.00 to \$225.00. Allowance of compensation in the amount requested would result in a blended hourly billing rate for professionals of approximately \$209.93 (based on 88.00 recorded hours at Epiq's regular billing rates in effect at the time of the performance of services). The hourly rates and corresponding rate structure utilized by Epiq in these cases are generally equivalent to the hourly rates and corresponding rate structure predominantly used by Epiq for comparable matters, whether in Chapter 11 or otherwise, regardless of whether a fee application is required.

**Epiq's Requested Compensation and Reimbursement Should be Allowed**

25. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered . and reimbursement for actual, necessary expenses." Section 330 of the Bankruptcy Code also sets forth the criteria for the award of such compensation and reimbursement:

26. In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including:

1. the time spent on such services;
2. the rates charged for such services;
3. whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
4. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
5. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

27. In the instant case, Epiq respectfully submits that the services for which it seeks compensation in the Application were necessary for and beneficial to the Debtors and their estates and were rendered to protect and preserve the Debtors' estates. Epiq respectfully submits that the services rendered were performed economically, effectively and efficiently and that the

results obtained to date have benefited all stakeholders in the cases. Epiq further submits that the compensation requested herein is reasonable in light of the nature, extent and value of such services to the Debtors, their estates and all parties in interest.

28. Epiq's professionals spent a total of 88.00 hours during the Fee Period, which services have a fair market value of \$18,473.90. As demonstrated by the Fourth Interim Fee Application and all of the exhibits submitted in support hereof, Epiq spent its time economically and without unnecessary duplication. In addition, the work conducted was carefully assigned to appropriate professionals according to the experience and level of expertise required for each particular task. In summary, the services rendered by Epiq were necessary and beneficial to the Debtors and their estates, and were consistently performed in a timely manner commensurate with the complexity, importance, novelty and nature of the issues involved.

29. Accordingly, Epiq respectfully submits that approval of the compensation and expense reimbursement sought herein is warranted.

#### **No Prior Request**

30. No prior application for the relief requested herein has been made to this or any other court.

#### **Notice**

Epiq has provided notice of the Application to: (i) the attorneys for the Oversight Board, Proskauer Rose LLP and O'Neill & Borges LLC; (ii) the attorneys for the Puerto Rico Fiscal Agency and Financial Advisory Authority, O'Melveny & Myers LLP and Marini Pietrantoni Muñoz LLC; (iii) the Office of the United States Trustee for the District of Puerto Rico; (iv) the attorneys for the Official Committee of Retired Employees, Jenner & Block LLP and Bennazar, García & Milián, C.S.P.; (v) the Puerto Rico Department of Treasury; (vi) the Fee Examiner, Brady Williamson; and (vii) counsel to the Fee Examiner, Godfrey & Kahn, S.C. and EDGE

Legal Strategies, PSC. In addition, the notice of hearing with respect to this Application will be served on all parties that have filed a notice of appearance in the Title III Cases. In light of the nature of the relief requested, Epiq respectfully submits that no further notice is necessary.

WHEREFORE, Epiq requests that it be allowed reimbursement for its fees and expenses incurred during the Fee Period in the total amount of \$58,143.37 consisting of (a) \$18,473.90 for reasonable and necessary professional services rendered by Epiq and (b) \$39,669.47 for actual and necessary costs and expenses, and that such fees and expenses be paid as administrative expenses of the Debtors' estates.
